

Greetings!

Below you will find the instructions to access the online classes and activities. I also have a video of me going over accessing each sight [here](#) and in my [Weebly](#). Please let me know if you have any difficulty accessing any of the sites. I have a video showing you how to access the following sites or I can help you individually via Google Meet or a phone call. It's a good idea to save login information every time you are asked and bookmark or make a desktop icon of my Weebly Site. That way your child may be able to click on the bookmark or icon and get to class with little to no assistance.

Wake ID - This gives your child access to student e-mail and Google Drive. I am allowed to only communicate with your child through their WCPSS email or Google Account. You will need this to log in to the virtual class which will be held through Google Meet. You will also use Google Drive to sign into SeeSaw.

1. Go to the [Wakefield High School](#) webpage, scroll down to click on Wake ID just below the pictures.
2. Select student from the drop down menu
3. Enter Wake ID _____ (You will be provided your child's personal Wake ID number via e-mail and Remind.)
4. Enter your Wake ID password [adam1234](#)

From this screen you will be able to access your child's WCPSS email account Google Drive account. You should be able to save the password to make it easier to login next time. If you go to their email account you will find a welcome letter from me with the instructions on how to log into SeeSaw.

Unique Learning System - This will give your child access to the web based books and learning games we will go over.

1. Click on the following link

2. Click on the picture above your child's initials.
3. Enter the password [adam1234](#)
4. Let them explore the games or repeat lessons.

SeeSaw- This app allows me to share activities with you and gives your child a way to send it back to me. You need to login using your child's WCPSS Google Drive. Complete the following steps.

1. Go to app.seesaw.me
2. Choose "I'm a Student"
3. Sign in using your school Google account or email address
4. Click on your profile icon on the top left
5. Click on the +Join Class button
6. **Type in the code: EJSM GSRN. This code expires on April 16, 2020 (if you try to access the class after the 16th I will generate another code, just let me know).**

I will have a separate video to show you how to access, complete, and submit an activity.

Please let me know if you're having trouble accessing any of the sights and I will arrange a time to help you.

I'm looking forward to spending time with students and seeing how they navigate through the activities.
